

# PPE PROCUREMENT FACE FILTER USA.

We've got you covered - from sourcing supply direct from FDA Authorized manufactures to logistics, importing, and delivery.

## FDA Authorized KN95 Respirator Masks

## We are your dedicated PPE Procurement Team.

### What We Provide ?

#### Manufacture Direct

We work with vetted manufactures directly. Not trading companies.

#### Flexible Payment

Flexible terms like 50% up front and 50% upon inspection may be discussed.

#### FDA Authorization

We have submitted multiple manufactures to successfully obtain FDA authorization on their masks.

#### Logistics

Partnered with Flexport to offer multiple shipping options, including chartered planes.

01
